MASPP MASSP Welcomes Renato Vesga, M.D. to the Practice

NEWARK, DE – (July 1, 2008) – Mid Atlantic Spine and Pain Physicians (MASPP), the most comprehensive pain practice in the U.S diagnosing and treating spine and pain related disorders, is pleased to announce that Renato Vesga, M.D. has joined the group as attending physician.

“Over this past year, as a fellow, Dr. Vesga has shown to be a very talented and skilled physician,” says Frank J. E. Falco, M.D., founder and CEO of Mid Atlantic Spine and Pain Physicians. “He has a great bedside manner and shows great compassion to his patients. We are very pleased that Dr. Vesga has decided to join the practice.”

Dr. Vesga received a Bachelor of Arts Degree in anthropology from Columbia College, Columbia University and a Medical Degree from MCP Hahnemann School of Medicine. After graduating, Dr. Vesga served a traditional rotating internship at Allegheny General Hospital in Pittsburgh followed by a physical medicine and rehabilitation residency at Temple University Hospital, and a pain management fellowship with Mid Atlantic Spine and Pain Physicians. He has presented and is published nationally on physical medicine and rehabilitation and is actively involved in various non-profit organizations.

Dr. Vesga is a member of the American Academy of Physician Medicine and Rehabilitation, American Medical Association and the Physiatric Association of Spine, Sports, and Occupational Rehabilitation.

About Mid Atlantic Spine and Pain Physicians

Mid Atlantic Spine and Pain Physicians (MASPP) is the most comprehensive pain practice in the U.S diagnosing and treating spine and pain related disorders. With locations in Delaware and Maryland, this preeminent pain practice is staffed with a team of top-rated, board certified physiatrists, chiropractors, and licensed practitioners providing individualized treatment for patients in a very compassionate and caring setting. The group provides an array of patient care right onsite, including two modern clinics, outpatient surgery center, diagnostic imaging, chiropractic care, physical therapy, a sleep lab, among other services.
