Mid Atlantic Spine and Pain Physicians Opens New Patient Office Location in Elkton

NEWARK, DE – (May 12, 2008) – Officers from Mid Atlantic Spine and Pain Physicians (MASPP), the most comprehensive pain practice in the U.S diagnosing and treating spine and pain related disorders, opened the doors to its new 5,000-square-foot, contemporary patient office in Elkton, MD. Formally located on 126 East High Street, the new location at 101 Chesapeake Boulevard, Suite D, offers patients a warm and comfortable atmosphere where they will continue to receive high-quality medical care and treatment for their spine and pain related disorders.

“We are very pleased about the opening of our new Elkton office that will ideally provide more access to high-quality, full-service medical care to those suffering from pain to those living in the surrounding Elkton area,” said Frank J. E. Falco, M.D., founder and CEO of Mid Atlantic Spine and Pain Physicians. “We realize the challenges that pain can present for everyday living. One of our goals is to make going to the physician a more pleasant experience.”

A wide range of patient services are provided by MASPP, including pain management and treatment, diagnostic imaging, chiropractic care, physical therapy, among other services. Some of the painful medical conditions treated include: arthritis, back pain, cancer pain, carpal tunnel syndrome, compression fractures, disc herniations, facet syndrome, facial pain, fibromyalgia, interstitial cystitis, migraine headaches, neck pain, osteoarthritis, osteoporosis, peripheral neuropathy, radiculopathy, RSD, sacroiliac joint syndrome, sciatica, spasticity, spinal compression fractures, sports injuries, TMJ syndrome, trigeminal neuralgia, and other painful disorders.

The new patient clinic at 101 Chesapeake Boulevard, Suite D, Elkton, is minutes from Interstate 95, Route 896, and US-40. There will be a several month transition period before closing the doors at the 126 East High Street location. Patients may continue contacting the Elkton office to schedule appointments by calling 410-392-3385.
